Orlando, FL

Dr. Dale Thorne
International Mission Board

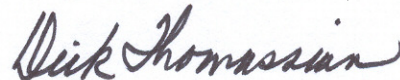

Christian greetings to all who are gathered for the 100th year celebration of Baptist life in the land of our Lord. May the grace and peace of our Lord Jesus Christ rest upon each of you. There's a special relationship that exists between Baptists in the Near East and Southern Baptists in the USA. The spiritual fruit of this relationship is a testimony of the faithfulness of our God.

Jesus is calling Baptists to hear and to do His word placing faith in Jesus is the foundation upon which to build. In Him we find meaning and security that will survive the coming storm.

Friends of Nazareth in the USA are engaged in prayerful and financial support of the Nazareth Baptist School. We are trusting God for the provisions needed to meet the challenge of the arriving generation of precious children and young people.

Congratulations on the 100 years of raising the banner of Christ across the land. May God continue to shower you with sustaining blessings until the glorious day of our Lord.

Much Love in Christ,

Dick Thomassian
Friends of Nazareth General Director
